SO ORDERED.

Dated: June 14, 2021

GREGORY H. WOODS
United States District Judge

Dear Judge Woods:

Both Mr. Meza and Mr. Cazarez along with their counsels are requesting a continuance of the current sentencing date from July 12, 2021, to a date convenient to the Court in October. Co-counsel for Mr. Araujo, Ms. Gretchen von Helms, was involved in a very serious accident in October 18, 2020. She has been on leave from work since that date per an order from her medical doctors. She is expected to be cleared and able to return to work in October 2021. Ms. von Helms has been lead counsel and most familiar with all aspects of this case, hence we believe that it is in the interest of justice and in the best interest of the client's that this matter be continued. We have kept the government counsel apprised of Ms. von Helms condition and they have no objection the the continuance for the reasons stated above.

It is respectfully requested that a new sentencing date be set any date convenient to the Court in October or anytime thereafter, and we also would like new filing dates in September that are convenient to the Court. We thank the Court for your understanding of this matter.

I have informed all counsel and there is no objection to this request.

Respectfully submitted,
*Jan Edward Ronis
Gretchen C. von Helms,
Guadalupe Valencia*
